

Field Trip Policies & Schedule

We're excited to start a fun year of field trips with Sparrows! The field trips are not mandatory, but they offer a great opportunity for our children to spend time together outside of regular co-op hours.

Sign-Up and Payment:

- To join a field trip, be sure to sign up and, when required, pay for your ticket in advance. This payment secures your spot.
- Please note that payments are **nonrefundable** because we send payment to the venue once everyone has signed up.
- We will have a designated area for families to sign up for field trips.

If You Can't Attend:

- If something comes up and you can't make it, you're welcome to sell your ticket to someone on the waitlist. We'll do our best to help connect you with interested families.

Costs and Locations:

- We aim to keep field trips affordable and close to home. However, we may travel a bit farther to certain locations, like the science museum.

Deadlines:

- Remember to sign up before the deadline, especially when advance payment is required. Missing the deadline might mean missing out on the trip!

We can't wait to share these adventures with you and your family throughout the year!
